Dexi-Task

Nitrile disposable gloves 1,5

Description:

Disposable Nitrile glove. Fits like a second skin.

- Made from 100% Nitrile; no waxes, silicone or plasticizers.
- Three times more resistant to puncture than latex or vinyl
- Far better chemical resistance than either latex or vinyl
- Designed for maximum freedom of movement and minimum hand fatigue
- Rolled cuff. Provides added protection at wrist and ensures a secure fit.
- Available in both powdered and powder-free forms, to suit a very wide variety of applications
- AQL 1,5 can be used for medical applications
- In accordance with FDA regulations for contact with food
